

## BERNIE FITZGERALD'S CRUSADER BOYS BASKETBALL CAMP!

### Be a Threat with the Ball!!!

To become a good basketball player, each athlete must learn the fundamentals of the game. Through exposure to competitive and keen basketball minds, we hope to instill the burning desire it takes to become a successful player and person. Special attention will be given to each player's present degree of skills and achievement.

The primary focus of this camp is to instill in the players a solid foundation in the art of individual offensive basketball.

Each individual will leave this camp armed with individual drills that when practiced often and correctly will dramatically improve each player's ability to score!

"The emphasis is on having a good time as well as playing the game of basketball. I get great satisfaction personally working with the campers and seeing them improve."

### Bernie Fitzgerald– Camp Director

The textbook teacher/coach Bernie Fitzgerald has worked with teenagers in the classroom and on the court for over 20 years. Bernie teaches history at LaSalle College High School and LaSalle University.

With a Bachelor of Arts degree in history from Lafayette College and a Masters degree of Education from LaSalle University, Mr. Fitz considers the basketball court as an extension of his classroom. He has coached at every level of high school basketball during his tenure at LaSalle.

With his knowledge of the Philadelphia Catholic League, Coach Fitz will grow the Crusaders into a consistent playoff team. In the two years since his being named head coach, LC can boast of two All-Catholic performers, Brendan Stanton, '09, and Michael Barr, '10. Both men are outstanding representatives of their school and of their families.

Coach's Faith, Family, Books, Basketball philosophy is shared with every young man with whom he comes in contact. Mr. Fitzgerald is married to Maureen and is the proud father and step-father of 6 children, Jamie 25, Lauren, 23, Dan Teesdale, 21, B.J., 20, Matt Teesdale, 19, and Luke Teesdale, 13.
